FIRST MONDAY OF EVERY MONTH | 10 – 11:30 A.M.

Encompass Health Rehabilitation Hospital, an affiliate of Martin Health
5850 SE Community Dr. | Stuart, FL 34997

Whether you're just starting out on your road to recovery or you have had years of experience living and thriving as an amputee, through shared experiences we can find solutions, hope, and new possibilities.

Join us in a fun and relaxed environment to socialize, ask questions, and share information with the limb loss and limb difference community in our area. Bring a guest, enjoy some refreshments, and learn and grow from others who have overcome similar challenges.
