

# Treating Cranial Asymmetry: How to Achieve Successful Outcomes Supported by Evidence-Based Practice

## COURSE SYLLABUS

July 8, 2021

COURSE DATE

Live Webinar

LOCATION

12:00 pm CST

TIME

Shannon O'Shea, CPO; Jenna Moffo, PT, DPT; Sybill D. Naidoo, PhD, RN, CPNP; and Katrina Grosser

COURSE PRESENTER & CREDENTIALS

## COURSE SUMMARY

Understanding each other's recommendations, goals, assessment techniques, and what is considered a successful outcome is paramount to building positive experiences for cranial asymmetry patients. Join a panel of therapy and orthotic specialists in a roundtable discussion to learn how evidence and data are being used to shape cranial care.

This session will focus on the various types of outcomes and clinical practice guidelines being used in the field today that are designed to help therapists and orthotists analyze and respond quickly and efficiently when providing cranial care for infants with cranial abnormalities.

**Target Audience:** Physical and Occupational Therapists, Nurses, Case Managers, O&P Clinicians, and others who provide care for this patient population.

**Educational Level:** Intermediate

## OBJECTIVES

Upon completion of this program, the participant will be able to:

1. List relevant evidence, objective measurements, and data helping to shape care for this patient population
2. Describe how this data relates to clinical practice, patient performance, and ongoing success
3. Summarize assessment techniques

## COURSE OUTLINE

1. Sign In
2. Pre-test (if required)
3. Lecture (60 minutes)
  - Panel Discussion
    - Clinical outcomes and objective measures
    - Clinical practice guidelines
    - Patient experience
    - Sharing data
  - Questions and Answers
4. Post-test (if required)
5. Course Evaluation (online) & Sign Out

## CONTINUING EDUCATION REQUIREMENTS

**In-Person Sessions:** All attendees are required to attend the entire session, sign-in at the beginning and at the end of the course.

**Webinar Sessions:** All attendees are required to attend the entire session, and complete a credit request form and evaluation following the session. Throughout the presentation learning outcomes will be assessed through instructor interaction and attendee's participation through Q & A.

**Credits Available:**

PT, OT, RN, CM: 1.0 contact hours/credits (visit the course page for information on accrediting bodies)

Physicians: None Available; Course Completion Certificate offered only

## SPECIAL REQUESTS

Hanger Clinic strives to make our learning environments fully accessible and want to provide our guests with an opportunity to identify special needs in advance of the course. Please contact your course coordinator.

**PLEASE NOTE:** If course tuition is required, see the course flyer for the policy on fees and cancellation charges. If Hanger cancels for any reason, a full refund of the course tuition paid to Hanger will be given.
