

The Hanger Clinic[®] Difference

Hard work, determination, and a positive attitude - along with the right support and clinical expertise - can help you regain a life you love.

HANGER CLINIC IS HERE TO HELP

The Hanger Clinic EmpoweredCare approach to patient care focuses on your mobility and well-being. We deliver the care, support, education, and resources you need for life-long care.

OUR **EmpoweredCare** PROMISE

INDIVIDUALIZED CARE

We tailor our approach to care based on your personal goals, whether they might be getting back to work or spending time with your grandkids.

INNOVATIVE SOLUTIONS

We use our clinical expertise and experience with technology to create solutions that put your comfort first and set you up for long-term success.

SUPPORTIVE, TEAM APPROACH

We work to ensure you and your loved ones have the information you need at every step. We want to create a partnership where you share your goals with us and we help to get you there.

RESPONSIVE COMMUNICATION

We will provide peace of mind with consistent communication, and with over 900 locations nationwide, you will be met with dedication to superior care and service close to home and while traveling.
